

PLAST 2012 PREVIEW

Dear customers,

You are kindly invited to come to visit us at our **Stand D34 Hall 24**, during the **Plast 2012** show at **Milan from 8 to 12 of May**. In this time we will be pleased to present our latest news.

You will be our guest if you send your email where you will receive the invitation-code for free access to the fair.

Those who are interested in receiving the invitation-codes for themselves or for their customers are invited to request the desired quantity and to signal the email address of the person concerned direct by replying to this e-mail or by writing to marketing@thermoplay.com.

Following the new products that will be present in the fair:

SYSTEMS FOR MOULDING LARGE LOGISTIC PARTS

Thermoplay SpA has developed a new hot runner system for the moulding of parts of great dimensions like bumper, spoiler, porter, for the auto bodies of car and truck, but also large parts of household-electric, pallet for the packing sector ...
