

FAKUMA 2015 PREVIEW

HALL B3, BOOTH 3118

Dear customers,

You are kindly invited to visit us at our **Booth 3118 Hall B3**, during **Fakuma 2015** at **Friedrichshafen** from **13th to 17th October**, where we will be pleased to present our latest news:

NEW NOZZLES FOR FAST CYCLES

- Special nozzle and valve gate solution for application in "fast cycles".
- Improved sealing to compensate injection pressure increase in fast cycle production.

[Read more](#)

INJECTION BLOW MOLDING INNOVATIONS

- Uniform thickness and weights of the parts, thanks to homogeneous material distribution and correct balancing of the channels
- Absence of thread on the injection point, streaks or bleedings
