About cookies

This website uses cookies. By using this website and agreeing to this policy, you consent to Thermoplay's use of cookies in accordance with the terms of this policy.

Cookies are files sent by web servers to web browsers, and stored by the web browsers.

The information is then sent back to the server each time the browser requests a page from the server. This enables a web server to identify and track web browsers.

There are two main kinds of cookies: session cookies and persistent cookies. Session cookies are deleted from your computer when you close your browser, whereas persistent cookies remain stored on your computer until deleted, or until they reach their expiry date.

Cookies on our website

THERMOPLAY uses the cookies on this website, for the following purposes:

- Make our website work as you'd expect
- Save you having to login every time you visit the site
- Remember your settings during and between visits
